Announce a*

## **CLOSING OUT SALE**

of our entire stock of Alpines and Hardy Perennials. Owing to the labor shortage, we are discontinuing our Plant Department and are making prices that will close them out quickly.

Stock will be reserved as orders are received and shipped as soon as weather is suitable. With but few exceptions, quantities are not large, so order early and avoid disappointment.

All orders must be accompanied by check. Not less than six of one variety sold at the dozen price.

This is the chance of a lifetime to secure rare varieties at bargain prices and will add to the enjoyment of your Garden during the time we must all remain at home.

All orders will be sent by Express unless Parcel Post charges are enclosed with order. Michigan orders must add 3% Sales Tax.
